

St. Gregorios School
Class - II, Session 2020-21
Subject: E.V.S.
Practice worksheet

(Based on the syllabus covered in Class-I)

Name: _____

Q1: Write the names of your family members.

- 1) Father _____
- 2) Mother _____
- 3) Brother _____
- 4) Sister _____
- 5) Grandmother _____
- 6) Grandfather _____

Q2: How did you spend your time with your family during this Pandemic period (write few points).

Q3: The names of the parts of the body have been jumbled up below. Unscramble them to get the correct answer:

- 1). e g l s _____
- 2). s o t e _____
- 3). t e f e _____
- 4). r e s n f i g _____
- 5). u o t h m _____
- 6). n e g o t u _____
- 7). b t m u h _____
- 8). e a h d _____

Q4: Give names of healthy food items starting with the given letters.

The first two have been done in you

- | | | |
|-----------|---------|---------|
| A apricot | B beans | C _____ |
| D _____ | E _____ | F _____ |
| G _____ | H _____ | J _____ |

L _____ M _____ P _____

R _____ S _____ W _____

Q5: Choose the correct word from the help box and fill in the blanks.

aunt , siblings ,home, parents ,five, cousin , uncle , energy , grandfather , kitchen

- 1) Food gives us _____ to do work.
- 2) My mother's father is my _____
- 3) My father's brother is my _____
- 4) My mother's sister is my _____
- 5) My uncle's son is my _____
- 6) My brothers and sisters are my _____
- 7) My mother and father are my _____
- 8) The house we live in is our _____
- 9) We have _____ sense organs.
- 10) We cook food in the _____.

Q6: Complete the given sequence:

- 1) hands : fingers ; feet : _____
- 2) legs : jump ; skin : _____
- 3) eyes : see ; nose : _____
- 4) teeth : chew ; tongue : _____

Q7: Which part of the body will help you:

- 1) Know that the dog is barking at a distance _____
- 2) What a flower smells like _____
- 3) The chips are very spicy _____
- 4) The paint on the wall is green _____
- 5) The floor is cold _____

ACTIVITY

- 1) Trace your hand on a sheet of paper and colour accordingly
 - a) Thumb – dark blue
 - b) Smallest finger – pink
 - c) Draw a colourful ring on the finger between the tallest finger and smallest finger
 - d) Draw orange dots on the index finger (the finger between the thumb and tallest finger)
 - e) Tallest finger – green

- 9) During revolution, the part of the earth that faces the sun has
a) winter b) monsoon c) autumn d) summer
- 10) The disease spread by drinking polluted water is
a) cholera b) dengue c) malaria d) ringworm
- 11) A planet which is made up of land, water and air is
a) Saturn b) Uranus c) Jupiter d) Earth
- 12) A constellation is a group of
a) planets b) stars c) satellites d) moons
- 13) The three R's of the environment are reduce, reuse and
a) reset b) rearrange c) recycle d) remake
- 14) Change in seasons is caused due to earth's
a) revolution b) rotation c) atmosphere d) shape

Science Worksheet (2020-21)

Class - D

Q1 Tick the correct answer

1) Carbondioxide from the air enters the leaves through the

- a) stem b) stomata c) roots d) flowers

2) It forms bulk in our body.

- a) calcium b) roughage c) vitamins d) Minerals

3) A disease caused by fungi is

- a) cholera b) polio c) malaria d) ringworm

4) The organ protected by bony ribcage is

- a) kidney b) heart c) brain d) stomach

5) This is one of the organs of the excretory system.

- a) ureters b) brain c) Nerves d) Liver

6) This is a soluble substance

- a) chalk b) sand c) salt d) oil

7) The liquid in which a solid dissolves is called the

- a) solute b) solvent c) solution d) sediment
