SGS/Admn./1020/2021-22/03

Date: 16.06.2021.

**Dear Parents,
Seasonal Greetings.**

As you are all aware of the fact that High Court has granted permission to the schools to collect Annual Charges & Development Charges for the Academic Years 2020-21 & 2021-22. But considering the financial constraints of parents school management has decided to collect Annual Charges & Development Charges only for the current year i.e. Academic Year 2021-22. I must remind all the parents that due to the additional floor construction for the benefit of students school has exhausted all its resources and many parents are not paying tuition fee regularly and school is not in a position to pay even salaries upto 60% (Maximum). Hence Management has decided to collect Annual Charges for the Year 2021-22 in the month of June 2021 & Development Charges in '3' Installments (i.e. should be paid along with June, August & October fee Installments).

Anticipating your co-operation in this regard which will enable the Management to run the school smoothly.
