From Principal's Desk

Dear Parents

I am delighted to speak to you through e-newsletter. I am glad to inform you all that our students did exceptionally well in Board Examinations for the Year 2020. The school topper Simranjeet Kaur Jaggi of Class XII-A had scored 97.8% and Class-X Krish Kohli had scored 98.8% which is the highest percentage scored by our students till now. Many students secured above 95% in both Class-X & XII. In Class-X, 26 students have scored hundreds. In class-XII many had scored above 90%. I thank God for that & appreciate the sincere efforts of the teachers, students and the support rendered by the parents. After serving more than 3 ½ years **Rev. Fr. T.J. Johnson, Chairman** has been transferred to Noida. The new **Chairman Rev. Fr. John K Samuel** has taken over as the new Chairman of SGS. Rev. Father is an experienced administrator and a good human being too. On behalf of Gregorian Family, we wish our Chairman all the best. May God use him for His glory and grant him wisdom to take this institute to greater heights.

It is a matter of concern to the school authorities that many students are not attending the classes & are not taking online tests seriously which is not a good sign. NEP 2020 focuses on continuous assessment but not in terminal examination or subjective etc. Main emphasis of NEP 2020 is to developing multi-disciplinary skills among the students for which students have to think, practise & perform. As you are going to celebrate Diwali, I wish you all noise & pollution free Diwali!
